Generations Community Center

The Heartland Family Service Generations Community Center supports the recreational, social, and nutritional needs of low-income senior citizens in our community. Our center offers a variety of activities including classes, speakers, movies, discussion groups, exercise sessions, excursions, and parties, which are scheduled regularly every month. Seniors can gather for cards or bingo, and even have the option to go the grocery store. A nurse is available once a week to offer medical services and answer questions.

About Heartland Family Service

The mission of Heartland Family Service is to strengthen individuals and families in our community through education, counseling, and support services.

Our programs provide critical human services in the areas of Child & Family Well-Being, Counseling & Prevention, and Housing, Safety, & Financial Stability to the individuals and families who ultimately shape the future of our community.
